

PORT nature
Luxury Resort Hotel & Spa

DISCOVER

Our facility is built with unique architecture on a 50,000 m² area on the beachfront and is 40 km. from the airport and 50 km. from Antalya city centre. Featuring 612 rooms, our facility is home to the largest show arena in the Mediterranean. Our vision is to offer all our esteemed guests superior service by becoming the top accommodation facility in the Mediterranean region and ensuring 100% customer satisfaction with 1st class international and local foods and beverages.

INFO ABOUT THE AREA

Our hotel is located on an island surrounded by a river and forests. Located in such a spectacular spot, our hotel is one of the most exceptional destinations in the world and has its own microclimate that provides natural coolness. In nature, we call this place a "NATURAL PORT". This location is a much-frequented place for 502 species of birds and is one of the places where Caretta Carettas come and lay their eggs.
